

TRILLIUM CLINICS

The full requirements for Clinic entries are outlined in the Trillium Handbook which is on our Website - www.trilliumphotoclub.org, but are generally as follows

- A maximum of 5 images per person per clinic may be entered.
- Images may be derived from digital cameras or scanned photographic images.
- All images must be the work of the maker.
- The images will be evaluated using a digital projector and computer

FILE SIZING AND FORMAT

- Submit images as JPEG files. They will be projected in sRGB colour space.
- Maximum horizontal size is 1400 vertical pixels.
- Maximum vertical size is 1050 pixels.
- Smaller sizes are acceptable but will show smaller on the screen.
- Larger sizes are reduced by the computer with probable loss of sharpness.

File Naming

Please use the following Digital File Naming Format (Same as last year)

Level-Category-Maker-Your Image Title

Use a hyphen as illustrated - note - there is no hyphen in the title

- Level: B=Bronze S=Silver G=Gold M=Master
- Category: P=Pictorial N=Nature C=Creative
- Maker: Your personal clinic number
- Your Title: Your Image Title. Maximum is 25 characters

e.g. B-P-99-After the Rain

It is essential that you use this format.

If your title includes a hyphenated word, do not use the hyphen

e.g. Red-winged Blackbird would be Red winged Blackbird
